

TELL ME WHO I AM?

BASIC RULES

This game is for six players.

- Before starting, put the cards face down in the middle of the players.
- Each player takes a band and put it on his/her forehead.
- You have to give a card to each player but they can't see what is written on the card. Also, take one card for you but keep it face down.
- Then, put the card on the band on your forehead.
- Everybody takes three counters to start the game.
- The youngest player begins the game.
- Each player has 1 minute to ask questions to the other players to guess the word.
- If you guess the word correctly before the time is up, you can take another card.
- If you can't guess the card correctly before the time is up, you have to pick three counters more.
- The player who first runs out of counters wins the game.
